## Bluff Lake Claims Boy In Drowning

An Elmhurst boy, Frank M. Malinowski, 18, was drowned in Bluff lake near Antioch Sunday in Lake county's 16th drowning accident of the year.

The youth was to have been inducted into the Navy on Monday. A friend said Malinowski dived from the diving board at Bluff Lake lodge and did not come up.

The Antioch Rescue Squad and the Chain O' Lakes Water Patrol dragged the lake for about an hour before the body was recovered. Jeff Gerhart, 19, of Chicago, a bystander, discovered the body after joining the search.

The body of Malinowski was taken to Strang funeral home in Antioch and then to Chicago.

It was the second drowning this year in Bluff lake.

The 16 such accidents so far this year in the county compare with 11 drownings for all of the year 1959, sheriff's deputies reported.

In other weekend mishaps near Antioch, Edwin A. Moony of Evanston was treated at the Antioch Clinic for a possible broken wrist Sunday evening after an accident on route 173 west of route 59.

He also was charged with following too closely. Deputies said his car hit the rear of that being driven by Dennis J. Burnson of Chicago.

Tom Steiskal of the rural Antioch area was reported injured about the legs when the car he was driving on the Grass Lake road south of the Grass Lake school, collided with a pickup truck last Wednesday evening.

He and two occupants of the truck were taken by the Antioch Rescue Squad to Antioch for treatment. A man and woman in the pickup were injured.

The Steiskal car went off the road and down an incline. Both vehicles were damaged.

## Fire Station Job Underway

Work was well under way this week on construction of an addition to the Antioch fire station, facing on Orchard street.

The new structure which will extend almost to the street, will house a new fire truck now on order and expected this fall, as well as other equipment already on hand.

A truck formerly owned by the Antioch Rescue Squad and used by it for some 12 years before being "retired," will be made into an equipment truck for the fire department.

This apparatus was the Rescue Squad truck bought in 1948 and still in service until the new ambulance was obtained recently.

William Vos of Antioch was awarded the construction contract on his low bid of \$4,602.

## Prizes Awarded By Local Store

Prizes awarded at the grand opening days of "Shoes by George" store, route 173 and highway 59, held last week went to the following:

First prize—"Surrey With Fringe on Top" went to Alora Anderson, daughter of Mr. and Mrs. George H. Anderson of Cross Lake.

Second—Wardrobe of three pairs of ladies shoes—Mrs. Janie Young, Lake Villa.

Third—Wardrobe of three pairs of men's shoes—Charles M. Cermak, of Antioch.

Fourth—One pair of women's Naturalizer shoes—Mrs. Thyra Swanson of Antioch.

Fifth—Six pairs of Hanes nylon hose—Frank M. Sunich of Antioch.

Receiving two passes to 1960 Antioch high school football games were Angeline Small, Bruce Dalgard, Ida Wysoglad and Audrey Healy.

## Mrs. Polley to Teach At Central Hi School

PADDOCK LAKE, Wis.—Mrs. Warren (Mary) Polley of Antioch will teach home economics half a day each school day at Central high school here, principal Allen H. Erickson announced.

Mrs. Polley, wife of the assistant principal at Antioch Township high school, did substitute work in Antioch last year. She also taught for a few weeks at another Lake county school.

## 7-Digit Phone Number In Antioch

### Latest System for Dialing Slated For Start Here in August of 1961

Beginning in August 1961, when dial service comes to Antioch, all telephone numbers will consist of seven numerals, manager D. L. Hood said this week.

At that time, telephone numbers here will be shown like this: 395-9981.

This 7-digit telephone numbering system is designed to make dialing easier and more accurate than the two-letter, five figure numbers presently used in many communities, Hood said.

"We call this new system 'All-Number Calling.' It's the telephone numbering system of the future," he stated.

Business customers particularly will want to keep this change in mind when they order stationery, business cards or other materials showing their telephone numbers.

They will probably only want to order enough to last until next August.

By introducing the 7-digit numbering system in Antioch (instead of a system using a telephone exchange name), it will be possible to avoid a future mass number change to the new system.

Similar all-number calling numbers are being introduced in cities across the country this year.

The local telephone office will write to customers later and tell them what their particular phone number will be.

Construction of a dial exchange building at the corner of Lake street and Hillside avenue in Antioch is well underway. This one-story brick structure will replace the phone exchange building on Victoria street.

Formal ground breaking ceremonies were held March 23 of this year with village, telephone and construction company personnel taking part.

Tonyan Construction company of McHenry is the contractor.

## New Church Set For Lindenhurst

By Mrs. Bernice Bergau

William E. Kaub of Burr Oak lane has been notified that the home mission board has approved the site for the Grace Evangelical Lutheran church of Lindenhurst.

The church is to be built on the place where the Lindenhurst Men's club now stands. About four and a half acres are being purchased.

Kaub was responsible for getting people to sign a petition to have a church built in this area. It will be a four year dream come true.

The news that the church is to build where the Men's club now stands, also brings the news that the Men's club will later meet in the old American Legion hall in back of the Lindenhurst Village hall, just off of Grand avenue, opposite Engle's office.

A lot of work has to be done. It isn't known yet whether it will be torn down or remodeled.

"THANKS FOR THE BONDS" might be the words these men are exchanging as James Leksich (second from right), grand knight of St. Peter's council, Knights of Columbus, returns bonds bought by the council to help finance the Antioch Aqua Center, to Leonard Roblin, president of the Antioch Lions club Service Corp. which operates the aqua center and pool. Looking on during the presentation recently at Smart's Country House are Dr. Albert Bucar (left), secretary of the corporation, and K of C member, and Rev. Alfred J. Henderson of St. Peter's Catholic Church, chaplain of the local K of C council. The council said it hopes other bond holders will do the same. (Antioch News photo)

Freshmen at Antioch Township high school will report to the school gym between 1:30 and 3:30 p.m. Tuesday, September 6, for the opening day of school for them.

A newsletter sent out to prospective ATHS students for the 1960-61 school year and their parents, said that frosh will pick up schedule cards, pay fees and receive general information at that time.

Wednesday, September 7, the high school buses will operate on the regular time schedule and only freshman pupils will be expected to be in classes that day. Hours will be from 8:30 to 2:58 p.m.

The September 7 schedule has been arranged, Principal Albert Dittman explained, to give the freshmen complete use of the halls and classes without upperclassmen in attendance.

The high school cafeteria will start serving meals on September 7. UPPER CLASSMEN at ATHS will report to the boys' gymnasium Wednesday, September 7, to receive daily schedules, general information and pay fees.

Sophomores will be there from 8:30 to 10 a. m., juniors from 10 to 11:30 a. m. and seniors from 1:30 to 2:30 p. m.

A fee of \$14.50 will be paid at the time of matriculation by most ATHS students.

This fee includes textbook rental, insurance against accidents at school and going to and from; daily towel service in physical education and athletics, and a locker fee.

All students will be in attendance Thursday, September 8, for the daily regular schedule from 8:30 a. m. to 3:20 p. m.

There will be four lunch periods

this year as in 1959-60. Each student will have on his or her daily schedule slip the lunch period to which he or she has been assigned.

After a freshman has paid his fees he will be given a receipt. This must be taken to each of his teachers on September 7 in order for the student to receive text books used in the courses.

SOPHOMORES, JUNIORS and seniors must report to teachers with receipts on September 8.

Schedule slips will include the students' name, grade (class), locker number, locker combination, bus route and stop, program of classes, fee tabulation and receipt number.

Students must follow the schedule exactly as it appears on the card. No change can be made without permission of the high school office.

All students riding buses this coming school year should secure a copy of the bus schedule before leaving the building. Bus schedules will be available at a table in the boys' gymnasium.

Students who have not registered before September 8 or 9 should do so with assistant principal Warren Polley.

## Child Loses Radio

SILVER LAKE, Wis.—A plea for the return of a pocket size transistor radio to a child who received it only last Saturday as a birthday present, was made this week by Mrs. Roberts of Sumac avenue, Highland Subdivision.

The mother who said she thought it had been lost in or near the Antioch IGA store, said the child cries constantly over losing it.

Clarence Heath of Rinear road, Antioch, underwent emergency appendectomy Saturday evening at Victory Memorial hospital in Waukegan. He is reported coming along as well as can be expected.

## Paddock Lake — Welcome to Our Community

It has been two months now since the community of Paddock Lake voted to separate itself from the Town of Salem and organize itself with its own board of trustees, assessor, village clerk, justice of peace and similar officers.

The village voted overwhelmingly in favor of becoming a village with more than 70 per cent of the estimated 850 eligible voters taking part. That is far better than most villages can boast about in any election.

Since that time the village of Paddock Lake has elected officials that will serve a year or so—some until next April—and the board of trustees has been meeting at least once a week since then to work out problems the village faces in its first year of existence.

There will be many an evening of "burning the midnight oil" for these new officers, not to mention frequent trips to Kenosha, the county seat, and to Madison to clear up matters.

The community wants a post office or substation of its own. It would much prefer a post office so mail addressed to Paddock Lake will go there directly. As one village official put it, "a post office will put us on the map."

It already is the site for Salem Central high school and the fine building, athletic field and parking facilities it maintains.

For many years now Paddock Lake has been a place for Chicago, Milwaukee and people from other large cities to spend the summer or their vacations, whatever their length.

A modern shopping center, a fine county park bordering on Paddock Lake, several subdivisions and many beautiful homes can be seen and admired.

Welcome, Paddock Lake, as a village.

Antioch News  
Antioch, Illinois

Dear Sir:

Regarding the roads:  
North avenue, west of 21, is the worst it has been in 13 years. The county has more help, more new equipment, more new trucks and uses more materials now.  
They have a flock of kids running around these trucks throwing black top in these holes.  
They don't even care if they hit the hole or not.  
One section of the road was re-worked and it took a week to do a day's job and it is practically as

rough now as it was before they started.

All they would have had to do is run the grader a few more trips over the road and they would have had a smooth road.

A culvert was put in near North shore Resort, when we had the flood four months ago, that is too short and they have had horses there for months making the road a hazard.

There isn't room for two cars to pass.

Just because they get the gas tax money for asking for it, doesn't mean they should waste it because myself and a lot of others just don't get the money we pay for the gas tax that easily.

## Courthouse Notebook —

BY LOU DURKIN

Military and Naval brass shared the spotlight last week when Gov. William G. Stratton formally dedicated the new Illinois Beach State Lodge with a band and color guard from Great Lakes Naval Training Center, the commander of the Fifth Army, Capt. Ford, skipper of the training station and lesser military lights figuring in the festivities.

Gov. Stratton again called attention to the solid achievements of his administration which are typified by the new lodge, the first built in any park anywhere in a score of years.

A solid boost to the governor's campaign for re-election was delivered by Waukegan Mayor Robert Sabonjian, an independent Democrat, who lavished praise on Gov. Stratton for his cooperation with the officials of Waukegan and Lake County.

Highway construction hit a record peak in Lake County during Gov. Stratton's administration, the mayor pointed out, and Waukegan benefited through the Waukegan Port Authority and many other local improvements fostered by the Stratton administration.

Lake Villa's Art Bennett was on hand to make the governor's visit official and to invite the chief executive to Elmer Wolff's annual corn roast at Sand Lake which was held Thursday night, but Gov. Stratton had to return to Chicago for another gathering.

Gov. Stratton is planning at least one more visit to Lake County before the November election and that will be in September when he makes a pitch for the motorboat vote.

He will be on hand for the Governor's Cup races sponsored by the Chain O'Lakes Boating Club at Fox Lake.

Complaints about property taxes piled up during the past week as property owners in the county got their tax bills and as usual most of the complaints were made to the wrong people.

The schools as usual took the biggest bite of the tax dollar, but most of the complaints were made to county officials who only implement the levies and assessments approved by other taxing bodies.

Tax bills are going to continue to raise as long as the population grows and makes it necessary to have more schools, but it seems to us that some substantial savings can be made in school construction without lowering the educational standards.

Why can't school boards get together with architects and set a flat rate for school design thus relieving the architects of the temptation to add costly, unnecessary frills to the buildings which add nothing to the educational value of the buildings?

Architects are paid on a percentage of the construction cost so it is only natural that they would recommend certain additions that boost the cost, but have no connection with the Three R's.

State Representative W. J. Murphy is planning to present a bill to the legislature again legalizing bingo for charitable, fraternal, civic, and church organizations and this time he can expect considerable backing than he got in his earlier attempt to provide pure wholesome fun for the bingo fans.

No doubt there will have to be some way of determining which groups can run bingo games and which groups are eliminated from running bingo games.

If this bill becomes law I'm going to apply for the job of ruling on bingo game applications because a post like that would seem to offer some interesting possibilities.

## GOP Candidate Comments Upon Seven Issues

MILTON, Wis.—Henry C. Schadeberg, GOP candidate for congress from the first district, stated his positions on seven major issues at a Milton function, Sunday, although he reminded his listeners that sound principles are the basis for beneficial government.

Concerning medical care for the aged, Schadeberg stressed the need for individuals to contribute according to their ability, with local, county, state and federal government assisting as needed in that order.

Turning to foreign aid, Schadeberg opposed helping countries afflicted with communism, and pointed out that foreign aid is a measure of defense. Aid should be given to help people help themselves, he added.

Helping people help themselves was also noted by Schadeberg when he spoke on Latin American development. He also stressed the need for the O. A. S. and the preservation of the Monroe Doctrine.

Speaking on federal aid to education, Schadeberg said when there is a real need for federal aid, some form of tax relief should be given, and warned against federal control of education.

Concerning defense, Schadeberg urged wise spending of appropriated funds for defense so neither too much nor too little is spent.

Schadeberg again stressed minimum federal government interference in the farm problem, and urged a gradual increase in a soil conservation program.

Turning to labor, Schadeberg said future legislation should seek to protect freedom, rights and privileges for all laboring men and employers, and not a few groups.

## New Building Planned By Millburn District

MILLBURN — Millburn school district has an option on land bordering the dividing line between its district and that of Browe district 16 and plans call for a new school building to be built on this site.

That is the word these days around Millburn as it is recalled that Browe district was annexed to the Millburn school district this past July, thus bringing to an end the 101 year old history of the Browe school.

This building is located on Mill Creek road northwest of Wadsworth. The Millburn structure is on U. S. highway 45 in Millburn.

The Browe school was named for William Browe who donated the land.

Plans call for using both school buildings next year, Paul M. Neal, president of the school board for the now extinct district, said.

## Tractor-Car Mishap Involves L.V. Lady

LAKE VILLA — A Lake Villa woman, Mrs. Ramona Mattahei, 18, was shaken up but apparently not seriously hurt, Kenosha county sheriff's deputies reported, in a tractor collision last Wednesday evening.

The mishap, they said, occurred on State Line road just east of U. S. highway 45. Tractor operator, they reported, was Chris Schafer of route 2, box 618, Kenosha.

FIRE STATION ADDITION construction at Antioch was in the "foundations" department Monday morning as can be seen here as crews from William Vos, local contractor, erected forms. This addition being put on the Orchard street side of the building will house, perhaps late this fall, a new fire truck. However, it also will be large enough to accommodate any foreseeable additions to local fire apparatus. The front of the addition will come almost to the curb on Orchard street. Shown in the right background is the Mortensen hotel. Some foundations already had been poured by Tuesday morning. (Antioch News photo)

'SURREY WITH FRINGE ON TOP' awarded during the grand opening celebration of "Shoes by George" is shown being driven by its new owner, Alora Anderson (second from right). Her mother, Mrs. George Anderson, is trying out the front seat of the vehicle while George Hawkins (right), owner of the store, shows them how it operates. A friend of Alora is seated beside her. This was just one of several prizes awarded by the new local shoe store located at routes 173 and 59 in Antioch. The Andersons live on Cross Lake in Antioch. (Antioch News photo)

Nearly \$70 Taken In During Local Car Wash

Nearly \$70 was taken in by the Antioch Assembly of Rainbow for Girls during their car wash last Friday held at Jim Brodie's service station. Rain in the afternoon stopped the work.

The local assembly plans to attend official visits of Miss Valerie Knox, grand worthy advisor of the Order of Rainbow for Girls, state of Illinois, to be held in Grayslake, Libertyville and Woodstock.

Visits will be at Grayslake next Monday, Tuesday in Libertyville and in Woodstock Wednesday.

Miss Knox will be guest of the Antioch assembly for an official visit on October 21.

Always signal, well ahead, your intention to change lanes or to slow down for turning or stopping. This will enable other drivers to anticipate your move and maneuver accordingly.

### Lindenhurst Junior Police Club Being Organized in the Village

By Mrs. Bernice Bernau  
LINDENHURST—Ron Coles, juvenile officer, is organizing a junior Lindenhurst police club. Boys have been registering the past two weeks at the village hall, Monday at 7 p.m.

Parents are invited to attend, and if the boys are unable to get there by themselves, arrangements will be made to have them picked up if they will call the village hall at Elliot 8-5154. Coles is anxious for all boys of the village to join.

Many things of interest are being planned for them. Boys 7 years old and up may join.

Mr. and Mrs. Richard (Lorraine) Schneider of Villa Drive, Lake Villa, are parents of a son, Randy Dean, born August 11. He arrived at St. Therese hospital, and was delivered by Dr. Edward Abderholden of Antioch.

Randy weighed 5 lbs. 9 ounces at birth. He was his mother's birthday present as the 11th was Lorraine's birthday.

The maternal grandfather is Alfred Rambow of Antioch. Paternal grandfather is Walter Schneider of Lake Villa.

The Schneiders have two other children, Cheryl and Freddie.

The Ivy Cancer league will meet Thursday, August 25, at 8 p.m., at the village hall in Lindenhurst. It will have an open discussion, and ways and means of making money for the league will be discussed. Mrs. John Slove is president.

A happy birthday to Mitchell Kleban who will celebrate his third August 31. He is the son of Bud and Phyllis Kleban of Long Meadow drive.

A happy birthday also to Mrs. Bob Smith of Pinecrest Lane. Her natal day is August 28.

Mrs. Warren (Bernice) Frantzak of Sand Lake Road, recently had her sister, Miss LaVergne Bahn of Chicago, as a house guest for ten days. The family visited Dubuque, Iowa, the shrine at Dickeyville, Wis., and several other places while here.

Saturday, August 13, Judy Sokup of Woodland drive had a party to celebrate her sixth birthday, that was August 2.

Four of her little friends, Kimberly Landt, Danny Roos, Linda and Bonnie Windorf and Judy's sister, Donna, enjoyed playing musical chairs. They crawled on all fours, blew up balloons, chewed on string and swung. Most of all then, enjoyed the ice cream, cup cakes, soda, candy and favors.

The girls are the daughters of Esther and Harold Sokup, who also have a son, Harold.

Several women and children from Lindenhurst, Venetian Village, Round Lake, Crooked Lake and Wildwood chartered a bus August 17 to go to Milwaukee. They got there by the skin of their teeth, but the trip back was something to write home about.

They left Milwaukee plaza at 3:40 p. m. but twenty minutes later the bus driver called his office in Wildwood and told it he was in trouble, and wouldn't be able to make the trip back home.

He was told to keep driving and a bus would meet him to finish the trip home. The bus crawled along about 15 minutes and then stopped.

So from 4:15 until 6:45 p.m. the ladies sat in the bus waiting for another bus that finally arrived.

Almost every one made a collect phone call home to notify the family where she was.

Everyone was laughing at first but it wasn't funny four hours later when they arrived in Lindenhurst at 7:50 p.m. Anyone for a trip next week?

There is great rejoicing in Lindenhurst. The weeds are finally being cut down on the northwest end of the village.

Hay fever sufferers are hoping that their allergies will subside now that the culprit is being done away with.

Kids are looking for the balls that they lost and never did find. You may be able to drive around a corner and see another car if it is coming. Or see the children that may be playing in the roads.

Let's hope that the grass gets cut before the middle of August next year.

### William M. Anderson Withdraws Candidacy

SALEM, Wis.—William M. Anderson of Salem has withdrawn as Democratic candidate for Kenosha county register of deeds, citing as his primary reason the lack of funds. His name would have been on the September 13 primary ballot.

However, ballots already have been printed and thus in spite of his withdrawal Monday, his name still will come before the voters.

In his letter to the county clerk, Anderson said he will not accept the post if nominated and if elected "I will not serve."

Anderson ran for the office in 1958 and narrowly missed defeating his Republican opponent in the November election, Harold Schend, in a recount.

### Randall McConahey Is Channel Lake Principal

By Mrs. Pearl Kapell  
CHANNEL LAKE—Randall McConahey signed a contract as principal and teacher of the eighth grade of the Channel Lake school at the meeting of the board of education on August 16.

McConahey is 25 years old, has a B. A. degree from Western Illinois, with a major in music, and has one year of teaching experience.

He has spent the past summer as a counselor at the Peacock camp for Crippled Children.

The board also discussed plans for a new gym. It hopes to present a referendum to the voters in October for money for the addition.

Elmer Eberman has preliminary drawings of the addition, and said that he had received a tentative estimate of \$60,000 as the cost of the gym.

It would include a new kitchen, boys' and girls' washrooms, and a stage, in addition to the gym.

Col. and Mrs. William M. Spencer, long-time summer residents of Lake Geneva, Wis., will be honored at the fourth annual horse show of the Country Riding club, from 2:30 to 4:30 p.m. Sunday, August 28, at the Kemah-Crane camp of the Chicago Boys club.

Colonel Spencer is the new president of the Chicago Boys club.

The affair will be by invitation. Directing the program will be Mr. and Mrs. George F. Getz, Jr., with the assistance of Mrs. Melford E. Zinser, chairman of the Country Riding club.

A special feature of the afternoon will be a show of Arabian horses being planned by Norman W. Harris. Mr. and Mrs. Harris were honored recently at a special luncheon in recognition of Arlington Park Race track's running of the very first Arabian horse race in the middle west.

Harris will present his Arabian horse, Khali, at the August 28 event.

An outstanding feature this year will be presentation of Chicago's world famous Medinah Temple Golden Voiced chanters, who will open the afternoon's program with the singing of "The Lord's Prayer."

The 100 Shriners will sing special songs fitting the occasion as a part of the afternoon's program. The Chanters are directed by Harry S. Walsh.

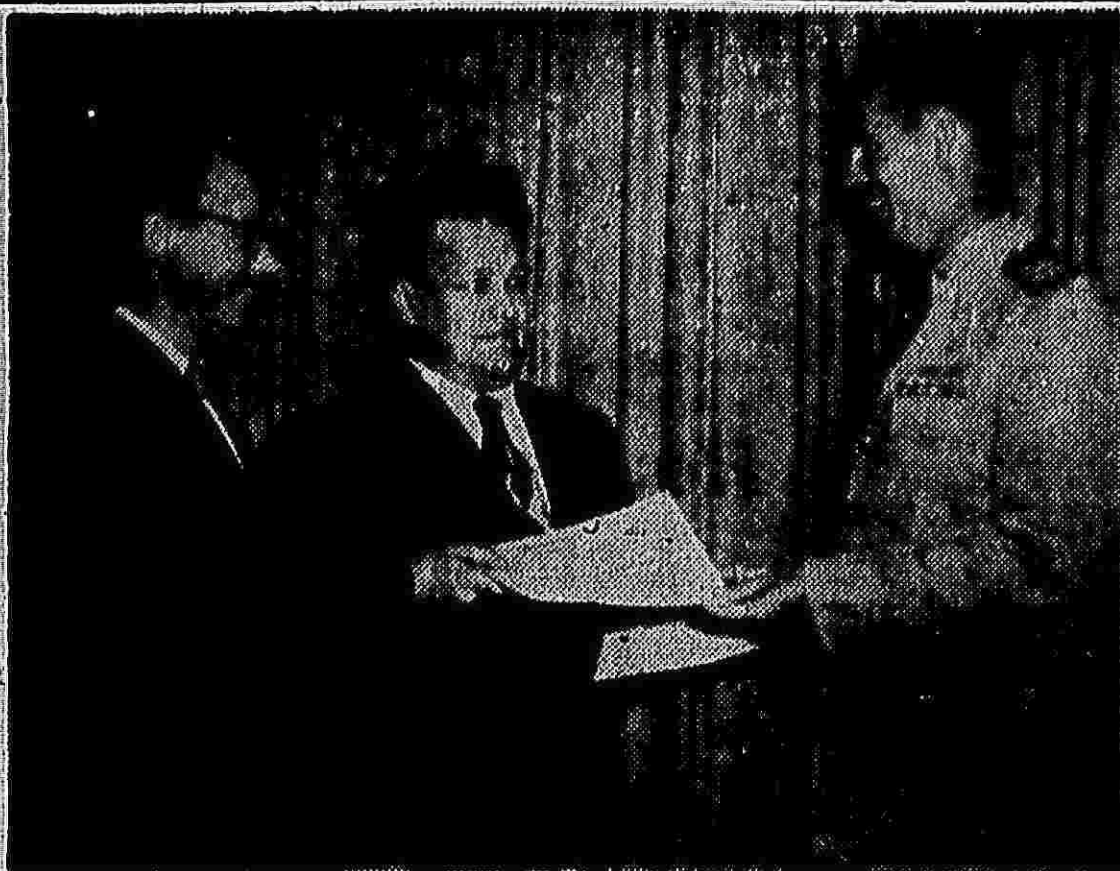

An added musical attraction will be organ background music with audio equipment and the very latest Wurliitzer organ being donated by the Wurliitzer company.

Highlight feature of each year's presentation will be awarding of ribbons to boys and girls now being given horsemanship instruction on the Country Riding club's temporary home on County Trunk F, Lake Delavan.

The children will give demonstrations of their instruction which are pointed toward developing the rider to Olympic competition.

The Country Riding club's annual preview party for parents of the riders, friends and interested parents will be Sunday, August 21, at 1 p.m., when the children will be professionally judged for their riding accomplishments.

If you want to sell — phone 43 or 44 and tell.

THEY PUT THEIR HEADS TOGETHER—Walter Geary (left) of Rte. 1, Mundelein, and Reino Lystila of Rte. 1, Antioch, each receive a check and a certificate of commendation from Captain R. H. Northwood, Supply Corps, USN, commanding officer of the U. S. Naval electronics supply office, Great Lakes, as he congratulated them for designing procurement guide card now in use at ESO.

## Bobby Lemke, Channel Lake, Feted On Birthday; Other News of Area

By Mrs. Pearl Kapell

Phone Antioch 1837

**CHANNEL LAKE**—Bobby Lemke,  
son of Mr. and Mrs. Robert Lemke,  
saw his dearest wish come true on  
his ninth birthday August 18, when  
his parents presented him with two  
baby rabbits.

He's been wishing for them for a  
long time.

By his next birthday, he should  
be able to make all his friends  
happy on their birthdays, if rabbits  
are what they want.

Bobby had a birthday party on  
August 18, starting with a wiener  
roast, games and then back to the  
food department for ice cream and  
cake.

His guests were Tim and Guy  
Trussell, John Bjork, Doug and Tom  
Runyard, John Eckert, John Mei-  
seck, Wayne Meierdick, and Bobby's  
brother, David Lemke.

Mr. and Mrs. Thomas Chase and  
children Catherine and Paul, Mr.  
and Mrs. Tom Runyard, and Mark  
and Bruce McKinney, spent a week  
at Rib Lake, Wis., leaving here  
August 15.

They saw several deer during  
their stay and took the children to  
visit a deer farm, where the ani-  
mals are so tame the children were  
able to pet them.

The fishing, however, was not so  
good—total catch for the week, two  
perch and a crappie.

Mrs. Mary Peck, Richmond road,  
who has been ill at her home, en-  
tered St. Therese hospital Monday,  
August 22.

Dr. and Mrs. Eugene Johnson of  
Casey, stopped at the Paul Chase  
home for a few days on their way  
to Camp Eaglecrest, Wis., to pick  
up their daughter, Priscilla.

Don't forget the Boy Scout court  
of honor slated for Saturday, Aug-  
ust 27, at 8 p.m. at Little Orchard  
farm on route 173.

Mr. and Mrs. Ray Atwood, while  
vacationing last week, drove to St.  
Paul, Minn., where they spent a few  
days, and then by boat to Mackinac  
Island, and motored home through  
Michigan.

They stopped at Benton Harbor  
for a visit with Mr. and Mrs. Harold  
Atwood, Ray's brother and wife.

Mr. and Mrs. Tom Runyard and  
Mr. and Mrs. Dave Runyard drove  
to Berlin, Wis., Saturday morning  
to spend a couple of days at the  
Harold Dowell home. They ran into  
a severe wind and rainstorm at  
Juneau Saturday morning.

The Don Bartleys, Mr. and Mrs.  
Stephen Ankeny of Austin, Minn.,  
spent last week at the Dale Bartley  
home on Lake avenue.

Mrs. Dolores Brown and her two  
children, of Columbus, Ohio, visited  
Mr. and Mrs. Frank Hennig, Lake  
avenue, last week. Mrs. Brown  
was accompanied by her parents,  
Mr. and Mrs. Herbert Reimer of  
Lake Villa.

Roland Hazeltine, grandson of Mr.  
and Mrs. Frank Hennig of Lake  
avenue, underwent surgery at Bel-  
mont hospital in Chicago August 18.  
Roland is doing fine and expects to  
be home soon.

It was just too wet for the Com-  
munity club's swimming party,  
planned for last Friday night.  
Tickets are still good. And if

# Sequoit Grid Practice To Open Aug. 29

## Equipment Will Be Distributed By Coaches Fri.

Friday, August 26, will be a big day in the life of 1960 Antioch Township high school football team candidates as they report to the school for issuance of equipment.

Varsity squad members will receive theirs, from 9 to 11 a.m., sophomores from 1:30 to 2:30 p.m. and freshmen from 2:30 to 3:30.

All grid squad members except freshmen must present their physical exam card for 1960 before equipment will be issued, head coach Bob Walther said. Such examinations can be made by a physician of the player's choice.

Or they may go to the Antioch clinic which Walther said will perform the service without charge.

First practice is scheduled for 8:30 a.m. Monday, August 29.

During the first week double practice sessions will be held. One drill will take place on Labor day of the following week.

The largest turnout of grid candidates in the history of Antioch Township high school is expected.

When questionnaires were given out this past spring to see how many boys would be interested in the sport this fall, 36 said they would be out for varsity, 24 for sophomore and 28 for freshman for a total of 88.

Once again Roy Nelson will be in charge of the soph team and Walther will be head coach. Another member of the 1959-60 teaching staff who will help will be William Seemann as frosh-soph mentor.

Two new members of the coaching crew will be Roger Andrews as assistant varsity mentor and Douglas Risberg, frosh mentor.

Three lettermen will be back for the gridiron wars at ATHS—Captain Charles Schuth, quarterback; Lance Keisler, wingback; Jerry Sterbenz, guard.

Other outstanding candidates expected out will be Dale Armstrong, end; Bill Bonner, guard; Don Verkest, guard; Ed Martin, tackle and center; Ron White, tackle; John Hedberg, fullback; Joe Etten, center; Jim Prossie, tackle.

These youths will be fortified by last year's sophomore squad which had a 6 win, 2 loss record in 1959.

## Lindhurst Man Wins Big Race; Year's Top Speed

WAUKEGAN—Bob Karry of Lindhurst finally broke into the winner's circle as he captured the 25-mile main event for modified stock cars before 3,150 fans at the Waukegan Speedway last Sunday evening.

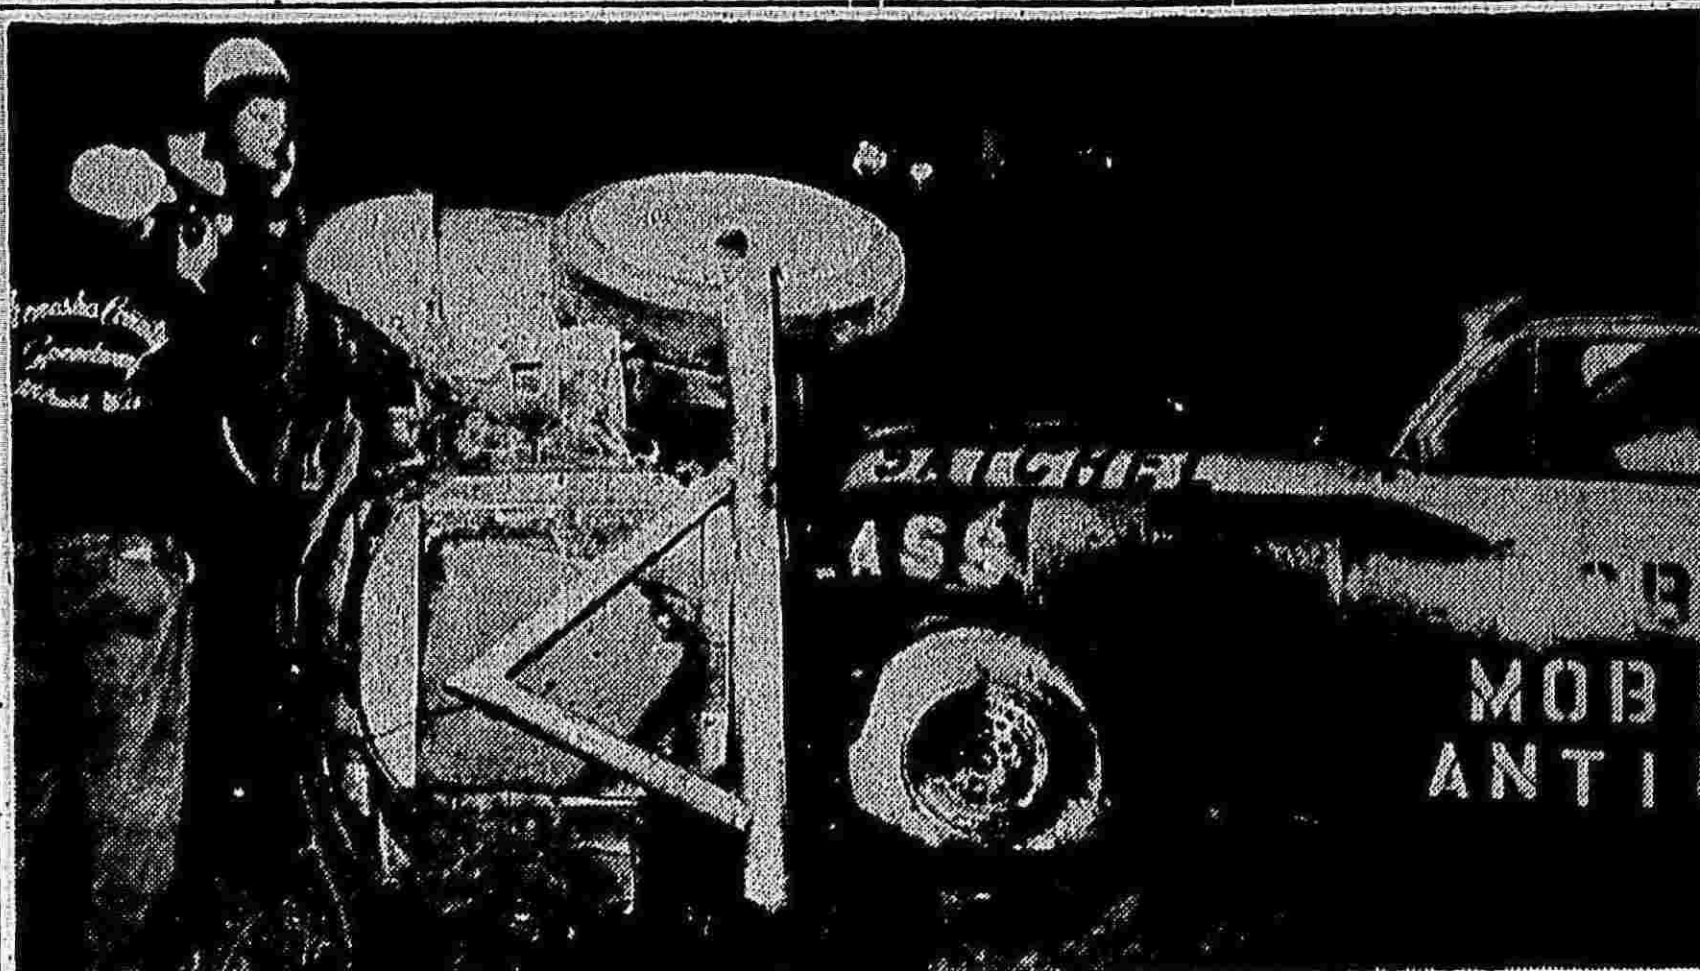

Karry took the victory in fine fashion as he shaded Milwaukeean Greg Krieger by less than a car length at the finish line. He averaged 50.28 mph in doing so.

It was the fastest feature time this year and was just a shade off the all-time record of 50.45 mph set in 1959 by Bob Ratajczyk.

Karry took the lead on the 17th lap after battling for nearly the first 16 with Gary Sheldon of Beloit. But Krieger was right on his tail all the way, and nearly overtook Karry several times.

But Karry drove as the former champion he is, and out-manuevered Krieger for the rest of the distance.

Karry has held the Waukegan championship several times back in the early 1950's.

NO ONE WAS HURT—except the cars—in this two stock car crash at the Wilmet Speedway recently during races held there each Saturday evening. The collision did knock down some fencing along the inside of the track and as shown here one vehicle involved turned over on its side. The driver at left is just emerging from his overturned car as a Kenosha County Speedway (Wilmet) official waits to lend assistance if needed. The other driver (right) is readjusting his helmet waiting for the tow truck in the background to untangle the wreckage. This is one example of what can and often does happen during car races at the Wilmet oval. (Antioch News photo)

## 'Pick' Wagner of Spring Valley Captures Kenosha County Title

SALEM, Wis.—The golf pro at the Spring Valley Country club near Salem, "Pick" Wagner, captured the Kenosha county open golf tournament Sunday when he finished 11 strokes ahead of the field at the Kenosha Country club.

The former Chicago area star fired near par rounds of 72, 73 and 72 to wrap up the 72-hole tourney as the final round started. His 73 for the course in the last round did the final trick.

Jack Thomsen, the 1958 champ, carded 301 and so did the 1957 runner up, Bob Sharfinski. The former finished with a 72, two over par, and posted Sunday's lowest score at the Kenosha CC. Sharfinski finished with a 70.

## 'Christ's' Defeat Filwets 8 to 5 In L. V. Contest

By Mrs. Bernice Bernau  
LINDENHURST — An all-star game was played Sunday afternoon at Clark Field by the Lake Villa Little League. Boys composed of Pirates, Cubs and Braves beat the Sox, Yanks, and Dodgers composed team.

The first group was called the "Christ's" after their manager, "Doc" Christ.

They were Richard Schneider, Alan Christ, Chuck Schroeder, John Jarvis, Gary Stephen, Tom Reed, Bill Schaufel, Dick Collignon, Corky Namtzu, Mike Koepen, David Hatten, Dick Slavik, Steven Miklautsch, John Hamm and Jerry Gentile.

The second group was called the "Filwets" after their manager, Bob Filwett. The boys were Richard Vitek, Larry Mateja, Marnie Baker, Tony Nocie, Leonard Clark, Robert Shenk, David Fabry, Bill Hemme, Joe Rox, Chuck Langbein, Jim Houghton, John Warshal, Bob Wagner and Tom Doyle.

The Christ's beat the Filwets 8 to 5.

Ted Flanagan, president, thanked all the people who contributed so generously when the hat was passed around. A picnic is being planned. Boys will be notified as to when and where it will be.

A 303 was posted by defending champion Mike Smolinski, followed by Tony Romano, Dick Adamson, Dennis Kowski, Dick Singer, Herb Brandes and Dr. John Garren who rounded out the top 10.

Wagner led by only two strokes after 36 holes, but separated himself from the field last Saturday by shooting a one over par 72 on his own Spring Valley Country club course.

He opened up a seven-stroke lead on this course while most of the other leaders had their troubles.

The Spring Valley pro shot steady nines of 37 and 36 on Sunday and lived up to the prediction many golfers made Saturday that no one would be able to catch him on Sunday.

It was learned here Monday that the Kenosha open may be played in July instead of August next year.

Central high school boys under the direction of Coach Dorm Grams acted as caddies at Spring Valley last Saturday.

The youths were Ken Parker, Jim Gresham, Bob Dougherty, Dan Yates, Bob Hansen, Bob Nelson, Bill Couch, Harold Gabel, Tunk Bloss, Gary French, Don Schaeffen, Denny Dunek, Gary Dix, Bruce Dix and Vince Klemko.

Their help was said to have enabled the threesome to play 18 holes in less than four hours, which is a rare thing in tournament golf.

## Jack Frost Wins Honors At Speedway

WILMOT, Wis.—When his modified stock car first was constructed probably little thought was given to just how far apart the wheels should be, but last Saturday night's performance by Jack Frost, Zion, made the builders' mechanical skills a reality.

Heavy rains Friday night and early Saturday morning at the Kenosha county fairgrounds speedway, left the track in a condition which resembled the Burma road—after a World War II aerial bombardment.

Management did what it could in trying to remedy the situation with some degree of success but both corners refused to yield to any changes—the holes remained.

Frost, lap after lap, eased his modified power plant over, on side, by the holes, but never in one of the time consuming ruts. His feats in maneuvering were rewarding—top money plus a new record: (52.05 mph).

Jack Radtke, Grayslake, tried everything in the books to close the gap on Frost but the time spent bounding in the air made the difference and second place was his.

Norm Nelson, current leader in points, from Racine, found his abundant horsepower valuable on the straight-aways but useless on the corners and had to settle for third place.

Two heavy footed, gas pedal pushers Bill Shoulders and Boy Karry, of Lindhurst, waged a tight duel for the 4th and 5th places respectively.

As the 1960 racing season at the Wilmet speedway slips away with only a few Saturday nights left on the schedule, the mad race for points and winning the 1960 Chevrolet El Camino can still be an upset.

The fastest qualifier for Saturday night's events was Gary Sheldon, Beloit, who pushed his Oldsmobile powered Ford to 53.08 mph.

## Little League Giants Top Cubs In L. L. Finale

The Giants defeated the Cubs 3 to 1 in the final game of the recent Antioch Little League baseball tournament played at the field near the Antioch Township library.

Paul Lindblad pitched a no-hit game for the Giants, the third such game he has hurled.

A trophy was presented to the outstanding player of the 1960 season, Stanley Horton of the Cubs team. He will keep the award for one full year. Each year, thereafter another boy will have an opportunity to win the trophy.

Officers of the LL this week thanked all the fans who attended the games. They called it "a very successful season."

"Don't forget, boys, if you didn't make a team this season, you will probably do so next year," they continued.

"We will see you out at the try-outs next season, so don't forget to do a lot of practicing because practicing does more good for you than harm."

## Softball Games Slated Thursday at Golfview

Remaining games in the Lake-Keno Softball league regular schedule include these:

August 24—Joe's Tap vs. Fox Lake Merchants in the opener and Golfview vs. Sterbenz Garage in the nightcap.

This week Wednesday evening Sterbenz was scheduled to meet Joe's Tap in the curtain raiser and Thom-Eric was to meet Jim's Service in the finale.

Dates for the playoffs in the league will be announced.

Games are played at the Golfview field four miles north of Antioch on Wisconsin highway 83, near the Wilmet road.

The field is floodlighted for after-dark contests and there is a refreshment stand and bleachers for the comfort of spectators.

## Antioch Man Leads

WILMOT, Wis.—Al Masopust of Antioch was winner of the second 10-lap jalopy race at the Kenosha county fairgrounds Speedway in Wilmet last Saturday evening.

Sixteen cars in each heat of 10-laps provided fun and excitement for the large crowd in the grandstand to shout their approval and enthusiasm.

## List Antioch Address For New Corporation

## LATE FISHING REPORT

In a late report concerning area fishing it was learned today that Lou Nielsen and Ed Haling spent the early morning hours Wednesday on Grass Lake.

According to Lou Nielsen, the couple left at 6 a.m. and returned to report a record catch of one 9 oz. bass. This reporter got the impression that the size may have been slightly exaggerated.
